

REMARKS

Claims 20-25 -- all of the claims in the application -- have been amended. Support for the changes appears, in part, at page 18, lines 3-11, of the original disclosure. Applicant reserves the right to pursue the original claims and other claims in this and other applications.

Applicant respectfully submits that the claims, as amended, should be allowable over the prior art references of record, including Lee and Saito, for at least the reasons set forth in the Request for Reconsideration filed October 4, 2005, and because the references, even when considered in combination, fail to suggest the newly recited features of the claimed invention. Accordingly, allowance of the application, as amended, is solicited.

Dated: January 13, 2006

Respectfully submitted,

By
